

Australia's gift to a thirsty world!

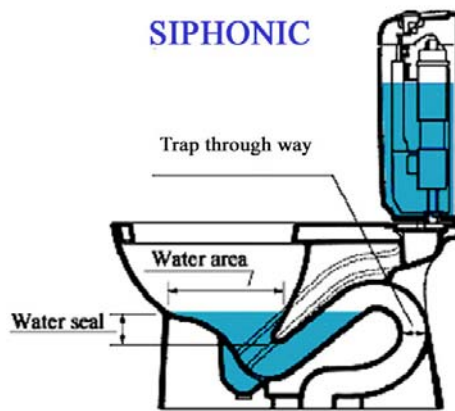

Caroma, an Australian company is the Manufacturer of a complete range of some of the most cosmetically pleasing and technologically advanced bathroom products in the world.

Two Button Dual Flush Toilet Technology

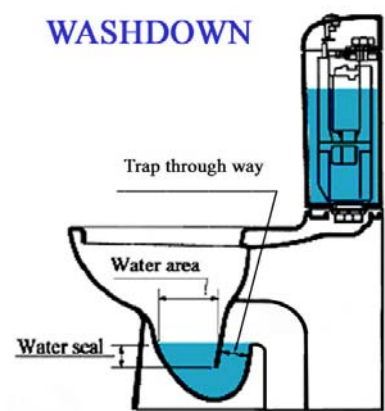

Caroma set the standard by giving the world its first successful two button dual flush system in the nineteen eighties. In the nineties our research and development team responded with the remarkable 1.6 / 0.8 gallon two button dual flush system.

With proven performance and acceptance by major hotels around the world, our award winning toilets are both user friendly and capable of **saving up to 80% of your toilets previous annual water usage**. Not only that, but with a full 4" trapway, **blockages become a thing of the past**.
